DETAILED ACTION

1. Claims 1-14, 17-37 are allowed over art. Claims 15 and 16 are cancelled.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

Applicant's argument filed 12/17/2010, that the Hoffstein and Irvin combination fails to disclose the limitation "the error condition information is a conditional expression indicating the condition for causing no decryption error" is persuasive. A further search and examination concluded that prior art fails to teach the invention as claimed. Therefore, claims 1-14, 17-37 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
